

## Elegant Florentine Escape

In the outskirts of Florence, the Colonica Residence of the Villa Olmi Resort, combines the luxury of a 5-star hotel and the simple elegance of a rural ambiance. The 'Fienile' kitchen of the Colonica is the picture-perfect Tuscan farmhouse kitchen, and is an ideal, relaxed setting for sipping wine, laughing, cooking, eating and discovering the secrets of Florentine cuisine. Each of the three cooking classes is about 3 hours long, focuses on different traditional Florentine dishes, and at the end of each lesson you will savour your creations in a leisurely sit-down lunch.
